Chief, Hawaii Bureau

21 April 1948

Acting Chief, FBIS

Maintenance Technician

1. It has been proposed, particularly in view of the prospective construction of new stations, to reclassify the maintenance technician position to CAF-9. It is desired to fill the new position, if the classification is approved, at all Bureaus where construction is indicated by a thoroughly competent and well trained expert as soon as possible.

2. With regard to this position at Kauai, which will be transferred to the new Far East location, please determine and report whether Kaneko will desire transfer or whether we may plan to replace him at the higher grade.
